Žurnāls „Reģionālais Ziņojums” ir starptautisks reģionālistikai veltīts zinātnisko pētījumu materiālu krājums angļu valodā dažādās sociālo un humanitāro zinātņu jomās: ekonomikā, socioloģijā, sociālajā psiholoģijā, tiesību zinātnē, vēsturē, kā arī saskarzinātnēs. Žurnāla raksti tiek anonīmi recenzēti, un tas tiek izdots vienu vai divas reizes gadā. Rakstu kopsavilkumi publicēti latviešu un krievu valodā.

The journal ‘Regional Review’ is an international collection of articles in English focused on the regional issues. The articles present the results of scientific research in various fields of social sciences and the humanities: economics, sociology, social psychology, law, history and interdisciplinary research. This is a double-blind peer reviewed journal published once or twice a year. Summaries of articles are provided in Latvian and Russian.

Журнал “Региональный Вестник” – международный сборник научных статей по регионалистике на английском языке, который отражает результаты исследований в области социальных и гуманитарных наук: экономики, социологии, социальной психологии, права, истории, а также междисциплинарных направлений. В журнале поддерживается двойное “слепое” рецензирование статей, журнал издается один или два раза в год. Резюме опубликованных материалов – на латышском и русском языках.

In the articles published in **‘Regional Review’** the authors’ style has been preserved and they are responsible for the facts and opinions reflected and the terminology used in their articles.

No part of this Collection of Articles may be reproduced in any form, by print, photo print, microfilm, or any other means, without written permission from Daugavpils University.

If quoted the reference to this edition is obligatory.

Regional Review is included in the EBSCO Academic Search Complete international database and ProQuest database, World Interdisciplinary Network for Institutional Research (WINIR)
